

DAS (R)EINE VOLK - GEFOLGT VON (R)EINHEIT!
(R)EINHEITSGEBOT #24

ENGLISH TRANSLATION

The false theories of our origin and descent, taught daily in all the unholy places of UNeducation, and sold to us as the truth, no matter how ridiculous and long since debunked - "The FOLG!" (german for: follow!), especially that of the believers, who call themselves GERMAN, in majority convinces itself of those stinking war-winning slogans of the stupidest kind.

Gods descended from heaven, using the stairs we know from department stores, possibly, because of their elementary advancements, automated escalators with slide-in; while YOU, or rather your void ancestors, during their descent for a tea-party were still in the crawling mode very far down, namely as a unicellular organism, only concerned with daily foraging. No intelligence, soulless, of course, all amoebas at that time.

Didn't we know better? Weren't in the times of deceptive historiography, the most modern air battles by means of vacuum driven or zero point energy field fueled colossuses of enormous, tremendous dimensions happening? Crawling amoebas and at the same time such high-tech masterpieces of outstanding intellectual relevance? And a second, much more essential question: WHO is so out of his mind, to believe this crap taught in the UNeducation industry, two-year-olds, maybe?

Don't believe just because the bogus creeps from the administrative levels of our world stage correspond to the lowest single-celled organisms, you, the SUPERHUMAN gifted with a bright mind, soul and body, have to be characterized by the same spiritual minuscule and poverty. The good-for-nothings put on a pedestal, have no other option, due to their inferiority and deficiencies, than to teach you just a mere fraction about your being, because otherwise they would be inferior and you could crush them like annoying cockroaches. As I said, you could, but you would appreciate them, because they too are living beings. But you can't expect the same good from them, they must, in order to satisfy their urge to maintain control and determination, lie until the ceiling beams break and, in the course of this, constantly UN-instinktivate new metaphors, because THINKING is not so much their thing, instead of finally granting support to the universal aphorism of the taking over of the divine simplicity. They are not creators – but you are!

The descent of the ALL-ROUNDERS from the so-called sky - remember, the giant trees of that time grew up to 250 kilometers in height, stretched horizontally in the same extension, creating thus by means of their habitat, which grew into the light distance, different levels, according to the respective mental state of the individual participants of that LEVEL. Whoever came from above, weren't they the ones we were waiting for, that is: US!?

"US", let's not get carried away, it is not comparable to the NOW-US. Not roaring and yodeling, because THE TEAM of a pack of lions, considered to be human, has actually managed to score a single goal in the satanic game of "23" against Tackatuckaland, but here meant as true spiritual-emotional high-performance creators, who are conscious of their ABSOLUTE Godly SELF. And by the definition of consciousness I mean: *That, what I think and feel, already created the IS and must therefore also affect my attention!*

Full-Stop, without further discussion.

Let's get to the point: What did these "*escalator travelers*" of that time, who descended from those giant tree giants, had in advance? One single word describes their advanced progress, compared to us. No, turn your attention away from the escalator, it couldn't have been the automation, we're flying to the moon and Mars today... ..yawn... it must have been something, that YOU NOW are absolutely lacking or would YOU otherwise read this kindergarten shit right now?

**IF YOU ONLY KNEW, WHAT HOUR OF
YOUR CLOCK HAS STRUCK!**

Are you on the outside again, always looking for new alleged knowledge? Yes? Have you found what you're looking for? Are you looking for the difference between a person and PERSON, are you getting excited about the alleged millennium deception, because they sold you the FRG and its successor territorial administration GERMANY as a state? Those with, so to speak, "*sovereign rights*" swindled into your pocket and you were stupid enough to give them your life energies for their infamies? Do not resent them, it was YOUR FAULT alone, to believe this far-fetched nonsense without questioning it! After all, YOU ran there voluntarily, wanted an ID, that would expel you out of your own homeland, you accepted the 100 DM bribe in November '89, and since then wanted to remain under the heel of the satanic B'NAI B'RITH sect and the shadow powers that control it. You are looking for the truth, absolutely, you want and need to know and so you will be trapped in one or several of the MATRIX WORLDS on the outside.

Keep searching, quickly, from one lecturer to the next, within your...and now comes another highlight: LIMITED LIFE-SPAN(!!!) you have to progress as fast, as possible. Have you watched HaJo in the evening, so the next morning the loving Sunny is waiting for you, who will help you connect the points, while Thomas Trepnau explains the market to you. Having visited the teddy bear cuddler and his Saxen-get-together after that, already you are much more confused than before.

You are told that the DJT is someone, who takes care of all your needs for you and your ... what do we call it most accurately? ... "FOLG!" In September, the big ones will meet, the number ZEROs of the world stage, because one cannot be the first number. And now you wonder, if the two of them really and truly just represent zeros? No, no, they are really the ones determining everything. The US military, as you have been truthfully told by the aforementioned lecturers, is the one, who saw Trump in his tower and thought: *"Man, this guy could be a great shot, we will now put him at the highest position of our world power. Henceforth he shall be the ZERO of our state!"* And already the big picture was moved into position. Such representation of fiction is called a Director's plan. If you knew, WHAT exactly goes on, WHO controls the MATRIX, many so-called people would go mad. But, the DJT is a good Disk Jockey, he plays the records perfectly. "Eva Longoria", one of the trans guys from DESPERATE HOUSEWIVES, was also a good actor.

Should I tell you about a simple trick for your SELF empowerment, how to get all the answers at once and gain THAT, which these "*escalator travelers*" once had in store for them? Leave everything on the outside behind immediately! Go into yourself, into your center, where no right or left exists, there on the inside is your SELF, which always provides you with the unadulterated truth. And now, here in your midst, you find a most important factor, which is: CERTAINTY.

If you are certain, that you are the sole creator of your experiences, you wield a great amount of power of SELF – CONVICTION on all the little creepers on the outside. The moment you recognize the big, perfect, most powerful SELF in you, there will be no one above you, because you understood, that you think and if you charge this thought with your feeling, creating goose bumps and excitement, your imagination will very soon not only be of a spiritual and mental nature. That's what all the crawling creatures out there are so afraid of, such fear, I can promise you, because you alone are able to unhinge whole universes and they could only watch and be amazed.

Doesn't it make absolutely no difference, what kind of regulations they create, randomly calling it law, thereafter a new UN-conscious comes along and abolishes these regulations by means of the BUNDESBEREINIGUNGSGESETZ, because ...a booger was sitting crossways and that is not acceptable? All that is not important for you, because in you - and thus soon also in the physical world – you alone are the creator of your own experiences.

You always have been, but before, Zion-Juda told you what plan you had to create. Today, however, in your new position of power, strengthened and aware of the SUPERHUMAN within you, you only have to move into a resting position, think of what you want, charge it with feelings of joy and

desire, enjoy this dream, put it aside and enjoy the CERTAINTY, that this dream will soon (have to) enter your life. You will NEVER doubt, not waist one thought about your failure and then, you are already the creator, if you deserve what you have thought. If you are marked by purity, then rejoice, it is time to get up!

When you are sure, solidified in your creator-being, let me know. Then you no longer need my almost daily kindergarten alarm-clock for the age group of three- to four-year-olds.

In Liebe und Verbundenheit.
